

Project. Rules

$$G = 30\%L + 70\%P$$

- **P = Business Process Automation Project**
 - **P represents the RPA course final assessment;**
 - P is an individual student or a team (2-3 students) project;
 - Any student enrolled in RPA elective course can register to elaborate and turn in P.
 - Additional announcements on registering a team to P will be provided over MS Teams.
 - Details on the P **requirements** and **assessment** will be available on MS Teams.
 - **The registration deadline is the end of week 05.**
 - P is turned in during **week 14** according to a scheduling that will be available by the end of week 11.
- **Project (P) = 70% of the final grade (G).**
